

## Parent Information

### **'Sun Smart'**

At Fairview we view safety in the sun as a major concern. Students are required to wear school hats in the playground during first and third term. Students not wearing a hat at recess and lunch breaks, or who do not bring a hat to Physical Education or outdoor lessons, will be asked to remain in a shaded area.

A hat is provided to each child each year. The cost of this is covered by levies. These hats must be left at school and taken home during holidays to be washed. Replacement hats will be available from the School Association at a reasonable cost if needed. New students to the school will receive a new hat on enrolment.

### **Newsletter**

Every Tuesday a newsletter is distributed to each family. This contains information of coming events and is the school's main means of communication to parents. If this is not received please let us know.

### **School Canteen**

The school canteen operates on Tuesdays, Thursdays and Fridays. Menu details and opening times will remain the same in 2012. Menus and costing will be sent home early in 2012.

### **Assemblies**

Regular assemblies are an important part of our school life. They allow students to share and celebrate the excellent things that are happening in our school. Parents and friends are always most welcome to attend. Whole school assemblies are generally held once per month on a Monday afternoon. Times and dates will be advertised in the school newsletter.

### **Emergency Contacts**

Accurate and updated emergency contact information is vital to the wellbeing of your child at school. This information is obtained at the time of enrolment.

If you change your address or telephone number, an emergency contact changes their address or telephone number, or if you wish to change your instructions, please advise the school as soon as possible.

You will need to complete a validation form that updates this information in first term each year.
