

School Association

The School Association is made up of elected parents, teachers and community members. The School Association develops school policies and approves school planning and budgetary programs. Elections are held annually and will be advertised in the school newsletter.

The other main role of the School Association is to organise fund raising events to support the school. It also provides assistance by running such services as a uniform shop and student banking.

Meetings of the School Association are advertised in the School Newsletter and all are most welcome to attend.

The School Association aims:

- To bring parents, friends and teachers together for the welfare of the students and the school
- To further the interests of the school educationally and socially
- To raise funds for the benefit of the students and the school
- To provide a forum for parents to express their ideas and concerns and to be kept up to date with school operations, issues and events.

Your support of the School Association will result in increased benefits for your child during his or her time at Fairview Primary School.
