

School Uniform

The school has a distinctive and attractive uniform which students are proud to wear and parents and staff regard as an important part of the school's identity. The school colours are blue, light blue, orange and purple stripes. The school expects all students to wear the recommended and practical school uniform at school and generally during school functions and while on school excursions. By wearing this dress students take a greater pride in their appearance and identify with the school.

Parents ask that we maintain this policy of school uniform. It is economical, encourages pride in the school and prevents peer pressure issues in relation to fashion.

Boys – Grey or navy trousers or shorts and blue polo top or skivvy, windcheater or rugby top, grey socks, black shoes.

Girls – School dress, navy or grey shorts, blue polo top and dark blue cardigan, windcheater or rugby top, blue or grey socks, black shoes.

Track suits should be navy, and navy track suit bottoms may be teamed with the school windcheater or rugby top.

All items are available from the School Association. A limited variety of used items is available and the School Association do encourage layby arrangements. Uniform order forms are available at the school office.

Lost Property

Lost Property is stored in the Administration area. Enquiries should be directed to the office staff. **Please ensure all clothing is named.**
