

Sport

Sport is an integral part of school life at Fairview Primary School. Involvement in sport encourages the development of social skills and relationships with others. It introduces students to lifelong recreational skills and enhances self-confidence and well-being. We believe that regular involvement in sport has a positive influence on learning and makes a significant contribution to a healthy lifestyle.

At Fairview Primary students can participate in Inter-House sport, seasonal school sport (Grade 5-6), as well as other special event sport throughout the year. Upcoming sports events are advertised in the school newsletter. We strongly encourage all students to be involved in all sporting opportunities that are presented to them at school.

Inter-house Sport

Inter-house sports carnivals are the highlight of the school's sporting calendar. All students are allocated to a house team upon entry into Preparatory year. The house teams are Algona – red, Jindabyne – green and Yarramundi – yellow. An Athletics Carnival is held in early Term 1 and a Cross Country Carnival is held late Term 1. Our Swimming Carnival is held in Term 3. These events focus on fun and participation and all students are expected to involve themselves and “have a go” under our values umbrella of Personal Courage. These carnivals also serve as a selection process for Inter primary teams which compete against other primary school teams.

Seasonal School Sport

During the winter months Grade 5-6 students have the opportunity to participate in the netball and football roster against other participating schools. Students are invited to training and participation on game day. This is also dependent upon the behaviour of students during the school week.

Special Event School Sport

In recent years students have been involved in fun runs, walkathons, football, cricket, basketball, gymnastics, soccer and golf clinics. There has also been a mixture of sports gala days where we combine with other local schools to participate in games, cricket, soccer, softball etc.
